

TASK 2

Some people think that it would be better for large companies and industries to move to regional areas outside large urban centers. Do you think the advantages outweigh the disadvantages?

It seems that this is an 'advantages and disadvantages' question, but basically this is an 'opinion' essay. The examiner in this essay wants you to discuss both advantages and disadvantages and then you should tell that which are more.

The basic structure in this essay

- Introduction
- Advantages or disadvantages (which are **FEWER**)
- Advantages or disadvantages (which are **MORE**)
- Conclusion

INTRODUCTION:-

In this paragraph just paraphrase the essay and then simply give the answer of the question

It is common to hear people talking about the changes that companies or industries need to make in their location.

Personally, I believe that disadvantages will outweigh the advantages if they are moved to regional areas

BODY PARAGRAPH 1:-

There are **several advantages** of changing a company's location from urban centers to remote areas.

Firstly,

For example,

Secondly,

Finally,

BODY PARAGRAPH 2:-

In this paragraph give the answer of the question and also present opposite side.

Nevertheless, in my opinion the drawbacks of this situation are more serious than benefits.

The first disadvantage is that.....

Another problem can be.....

CONCLUSION:-

In this part of the essay just repeat the answer of question that you given above.

In conclusion, although there are number of positive points of shifting a company from city centers into the suburban areas. But, I believe that companies may suffer too much from this situation.
